Saving one priority Bluetooth device | Ein vorrangiges Bluetooth-Gerät speichern | Enregistrer un périphérique Bluetooth prioritaire | Guardar un dispositivo Bluetooth prioritario | Guardar um dispositivo Bluetooth prioritário | Αποθήκευση μιας συσκευής Bluetooth σε προτεραιότητα | Salvataggio di un dispositivo Bluetooth prioritario | Een preferentieel Bluetooth-toestel opslaan | 当面のBluetoothデバイスを保存する

1 Activate priority device Bluetooth pairing mode

8s

A

Bluetooth icon

The diagram shows a hand pressing a button on a black circular device. A blue arrow with a clock icon and '8s' indicates the duration. A speech bubble with the letter 'A' points to a Bluetooth icon. A circular inset shows the device's top surface with a Bluetooth symbol and a plus sign. Another inset shows a timeline with four Bluetooth icons, the first being blue and the others grey.

2 Pairing priority device: Search Bluetooth devices and select "TC-W xxxxxxxx"

Bluetooth

Search devices...

TC-W xxxxxxxx

Laptop Nick

The diagram shows two smartphone screens. The top screen displays the Bluetooth settings menu with a search bar and the text 'Search devices...'. The bottom screen shows the search results with 'TC-W xxxxxxxx' highlighted in orange and 'Laptop Nick' listed below it.

3 Saves & connects priority device

Priority device

Bluetooth icon

LED on | off

The diagram shows a smartphone labeled 'Priority device' connected to a black circular device. A blue Bluetooth icon is shown between them. A green checkmark is at the bottom left. A control panel at the bottom right shows a blue gear icon and a circle with a dot, with the text 'LED on | off' below it. A circular inset shows the device's top surface with a Bluetooth symbol.

Delete priority device

Switch Bluetooth off

8s

up to 30s

The diagram shows a laptop, a tablet, and a smartphone with a red 'X' over a Bluetooth icon. The text 'Switch Bluetooth off' is next to it. Below, a hand presses a button on the device for 8 seconds, indicated by a blue arrow with a clock icon and '8s'. A timeline shows four Bluetooth icons, the first being blue and the others grey, with the text 'up to 30s' below it. A final inset shows the device's top surface with a greyed-out Bluetooth symbol.

5 Using the product

Changing the satellites' volume | Lautstärke der Satelliten einstellen | Régler le volume sonore des satellites | Ajustar el volumen de los satélites | Ajustar os volumes dos satélites | Ρύθμιση της έντασης ήχου των δορυφόρων | Impostazione del volume dei satelliti | Het volume van de satellieten instellen | サテライト装置の通話音量を調節する

1 The default volume of all satellites is set to medium

2 Change the volume for each satellite

5 Using the product

Muting all microphones | Alle Mikrofone stummschalten | Couper tous les microphones | Silenciar todos los micrófonos | Colocar todos os microfones em silêncio | Σίγαση όλων των μικροφώνων | Silenziamento di tutti microfoni | Alle microfoons op mute schakelen | すべてのマイクをミュートする

5 Using the product

Muting the microphones separately | Mikrofone einzeln stummschalten | Mikrofon einzeln stummschalten | Couper les microphones individuellement | Silenciar micrófonos individualmente | Colocar um microfone individual em silêncio | Σίγαση μικροφώνων ξεχωριστά | Silenziamento di microfoni singoli | Microfoons afzonderlijk op mute schakelen | マイクを個別にミュートする

5 Using the product

Setting up a remote conference | Web- oder Telekonferenz durchführen | Effectuer une conférence web ou une téléconférence | Realizar una conferencia web o telefónica | Realizar conferência telefônica ou online | Πραγματοποίηση διαδικτυακής ή τηλεφωνικής συνδιάσκεψης | Eseguire conferenze Web o teleconferenze | Web- of telefonische conferentie uitvoeren | ウェブ会議または電話会議を行う

Establish up to 3 connections in parallel (see chapter 4)

Select your contact or dial the number(s)

Initiate the call(s)

5 Using the product

Managing calls | Anrufe annehmen/ablehnen/beenden | Prendre/rejeter/terminer des appels | Contestar/rechazar/finalizar llamadas | Atender/recusar/terminar chamada | Αποδοχή/απόρριψη/τερματισμός κλήσεων | Accettare/rifiutare/terminare chiamate | Gesprekken aannemen/weigeren/beëindigen | 通話を受ける/拒否する/終了する

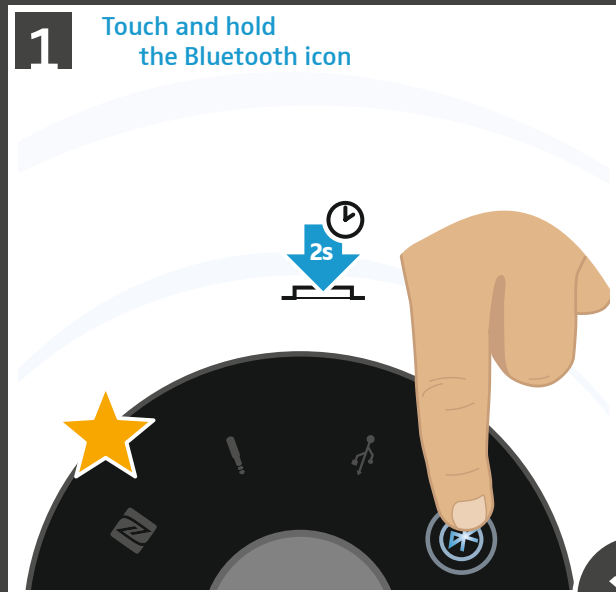

5 Using the product

Adding a connection | Verbindung hinzufügen | Ajouter une connexion |
Añadir conexión | Adicionar ligação | Προσθήκη σύνδεσης | Aggiunta di una connessione |
Een verbinding toevoegen | 接続を追加する

5 Using the product

Deactivating a connection | Verbindung deaktivieren | Désactiver une connexion | Desactivar conexión | Desativar ligação | Απενεργοποίηση συνδέσεων | Disattivazione connessioni | Verbinding uitschakelen | 接続を非アクティブにする

5 Using the product

Ending a remote conference | Web- oder Telekonferenz beenden | Terminer une conférence web ou une téléconférence | Finalizar una conferencia web o telefónica | Terminare conferência telefônica ou online | Τερματισμός διαδικτυακής ή τηλεφωνικής συνδιάσκεψης | Terminare conferenze Web o teleconferenze | Web- of telefonische conferentie beëindigen | ウェブ会議または電話会議を終了する

1 End the call via your device(s)...

2 Disconnect the USB cable

3 Disconnect the audio or telephone cable

4 Charge the satellites

5 Using the product

Verifying battery life | Verbleibende Akkulaufzeit abfragen | Vérifier l'autonomie restante des batteries
Consultar la autonomía restante de las pilas recargables | Consultar o tempo de duração da bateria
restante | Ένδειξη υπολειπόμενου χρόνου λειτουργίας μπαταριών | Verificare l'autonomia residua
della batteria | De resterende gebruiksduur van de accu opvragen | 残りのバッテリー作動時間の確認

5 Using the product

Verifying battery life | Verbleibende Akkulaufzeit abfragen | Vérifier l'autonomie restante des batteries
Consultar la autonomía restante de las pilas recargables | Consultar o tempo de duração da bateria
restante | Ένδειξη υπολειπόμενου χρόνου λειτουργίας μπαταριών | Verificare l'autonomia residua
della batteria | De resterende gebruiksduur van de accu opvragen | 残りのバッテリー作動時間の確認

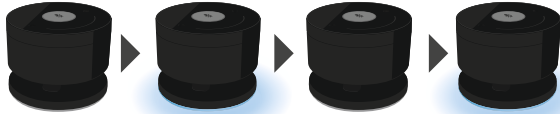

5 Using the product

Ending standby mode | Ruhezustand aufheben | Terminer l'état de repos | Finalizar el estado de reposo | Anular o estado de descanso | Ακύρωση αναστολής λειτουργίας | Annullare stato di inattività | De rusttoestand opheffen | スタンバイモードの解除

1

Standby mode = No connection for 45 minutes

...45 min | 1s | 20 s | 1s | 20 s ...

wake up from standby mode: single touch on any satellite

2

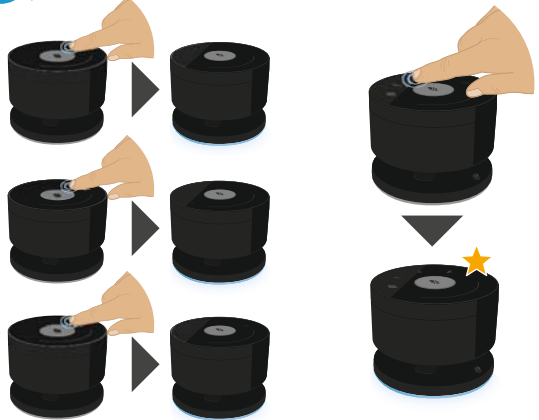

Sleep mode = No connection for 60 minutes

... LED off

wake up from sleep mode: single touch on every satellite
